# ECP 4 Update

---

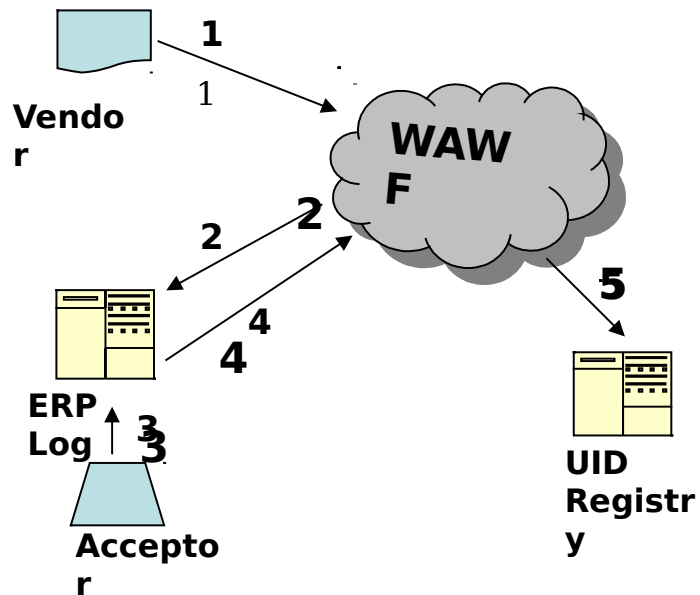

- Scheduled for release in WAWF v 3.0.10 on 12 June 2006
- Currently working on
  - Mapping from WAWF through GEX to the Navy Systems
  - Writing test conditions and partnering with ILSMIS, ERP and STARS HQ-FL for testing

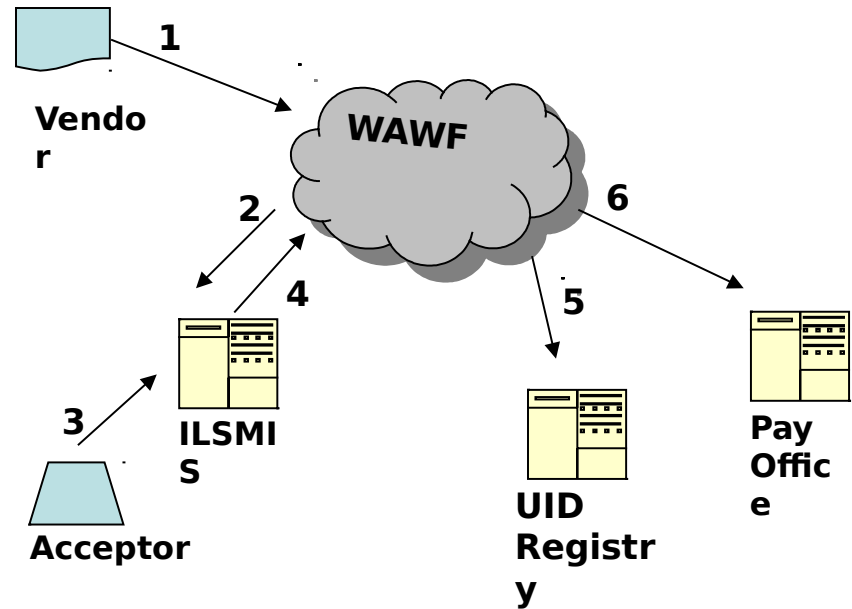

# ECP4--Navy Systems Interface

## Navy ERP Interface

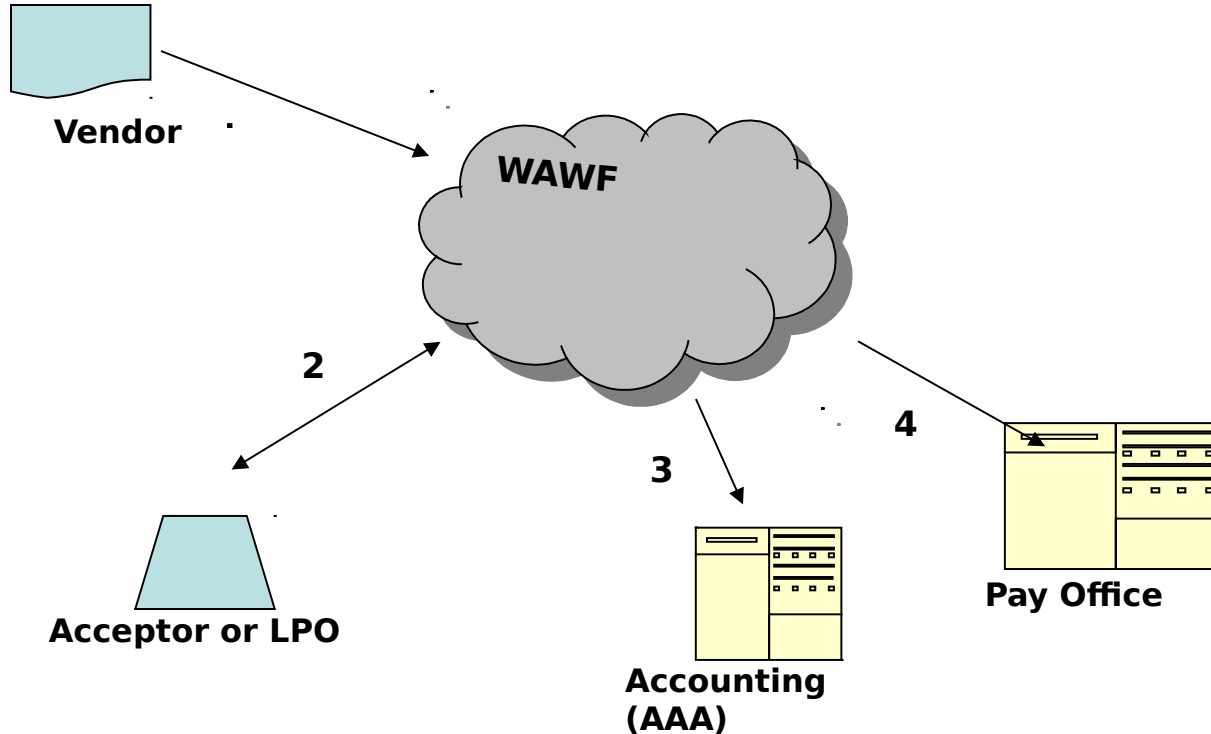

## ILSMIS Interface

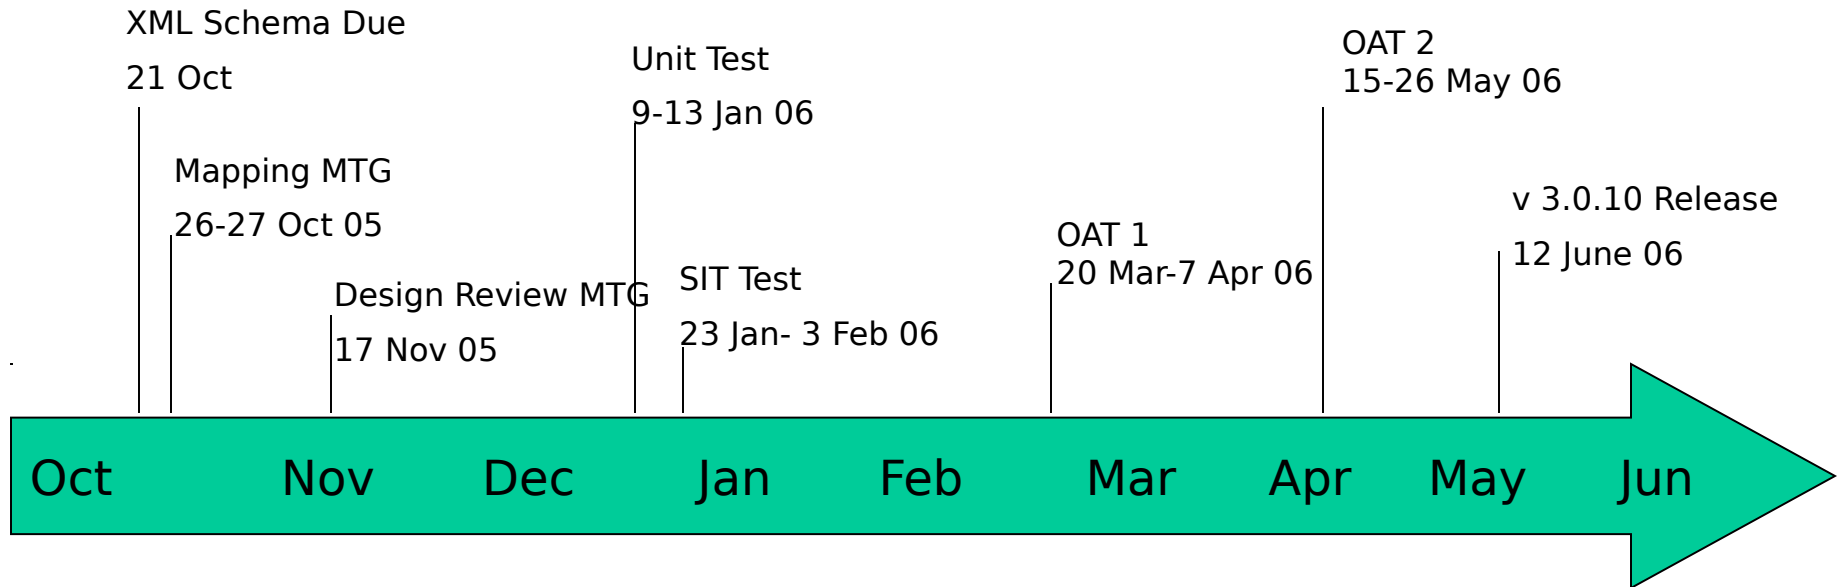

# ECP4--Navy Systems Interface

Accounting Update for Navy ERP, ILSMIS and STARS HQ and FL

# ECP 4 Timeline

# Navy WAWF Implementation Strategy

---

## FY06 Objective:

- Target source inspection/destination acceptance payments at major Commands
- Train major Navy contracting activities (e.g., FISCs)
- Conduct Command briefings and secure commitment to deploy WAWF:
  - Fleet Forces Command (Nov05)
  - NAVFAC HQ (Dec05)
- Work to ensure current active DoN DoDAACs in WAWF have capability to process
- Deploy tuition assistance at Naval Educational Training Command (NETC)
- Conduct regional training session for Navy activities

# Navy WAWF Implementation Update

---

- Navy sites in process for Nov – Jan FY06
